

Pizza Day Information

During the 2023-2024 school year, we will have 17 pizza days. This year you will notice that pizza days have changed to **Thursday** and our first pizza day will be on Thursday, September 28th.

Students have the option of ordering cheese, pepperoni, sausage pizza or Canadian bacon. The cost is \$2 per slice. Orders and money are due on Mondays before Pizza Days. Students can either pay each week or you may send in payment for up to the entire year. Checks can be made out to Faith Christian School.

Pizza Day wouldn't be possible without your help! To make it affordable for our students, each Pizza Day we will need three families to prepare treats (dessert options like cookies, brownies, rice krispie bars etc.) Each family is asked to send in 3-4 dozen treats on/by the assigned day.

If you are interested in helping on pizza days, we need dedicated drivers and servers. Please call the office and let us know when you can help.
