LAST DAY PICNIC

There will be a picnic for students and families on the last day of school following track and field. We will need helpers with set up, serving and clean up for that day. Burgers and hot dogs will be provided. We do ask that families sign up outside the office to bring in chips, sides or desserts. The sign up sheet is outside my office for this.

VOLUNTEERS NEEDED

On the last day of school we will need to clean out the gym and get the bleachers pushed in as we are having the floor resealed. If you are able to help, please stay following the picnic.
