ATTENTION PARENTS OF 8, 9, & 10TH GRADERS

Did you know we currently have 13 students who attended here in the grades of 6th – 10th that are now taking PSEO classes?

To inform parents of what comes next for their child and create an avenue for students to take college courses here together at Faith Chrisitan School, there will be a mandatory meeting for parents on Tuesday, November 19th at 7 pm. We will discuss adjustments to high school, the importance of a transcript, and PSEO opportunities for the future. This meeting is for parents of all students in grades 8, 9, and 10. Understanding how classes taken in 9th – 12th grade impact a student's ability to graduate will be valuable information for all students regardless of their further academic goals.
At least one parent from each family is required to attend. If this is not possible for your family, we need you to contact the office as soon as possible to schedule a separate meeting in order for your child to continue attending school here.
