2026-2027 Parents Contract

Since tuition is the primary means of income for FCS, it is important that tuition is paid on time. Prompt payment of tuition and fees allows the school to stay current with our accounts and to maintain a positive testimony in the community. Please read the following school policies on tuition payment and sign in the space provided.

I (we) agree to the following school policies:

1. Tuition payments begin August 1, 2026 for the upcoming school year and end July 31, 2027. Book Fee is due August 1, 2026.
2. All fees are non-refundable.
3. If a student is withdrawn before the end of the school year, tuition is due for the remainder of the month. For example, if a student withdraws in early October 2/9 of the annual tuition would be due.
4. If the child is dismissed by the board of directors for failure to abide by the discipline standards of the school, tuition through the month of dismissal will be due.
5. A child shall not be permitted to begin a new school year until all prior tuition and fees are paid.
6. A \$30.00 late fee will be charged if tuition is received more than 10 days after the due date.
7. Any account over 60 days in arrears will be required to meet with the finance committee of the board to work out a payment plan.
8. Any account consistently 60 days in arrears may be asked to withdraw from FCS. However, the outstanding balance is still required to be paid in full.
9. A student will be automatically enrolled in the following school year unless the school is notified by a parent of intent to withdraw. It is not necessary to complete a new registration form each year. However, the Church Verification Form will be due each school year with the registration fee. The annual registration fee will be charged with the May tuition amount at the early bird rate unless intent to withdraw is received.
